Speaker: Josh Brahm

Director of Education & P.R., Right to Life of Central CA

Josh started with RLCC in January 2008. While previously at *Georgia Right to Life*, he founded both *Georgia Teens for Life* and *Mission: Life*, a network of pro-life teen organizations.

Josh contends that the pro-life message can compete in the marketplace of ideas if properly understood and properly articulated. He's publicly debated leaders from *Georgians for Choice*, the *National Abortion Rights Action League (NARAL)*, *Planned Parenthood*, and one of the leading abortion facilities in Atlanta.

A gifted speaker, Josh frequently travels across the country as well as conducting occasional international speaking tours. Josh has created over 10 different speeches and multimedia presentations on abortion, stem cell research, human cloning, and euthanasia.
