

PETITION AGAINST FOCA

If passed, the so-called Freedom of Choice Act (FOCA) will eliminate any laws protecting unborn babies and their mothers and require the legalization of abortion-on-demand for any reason through all 9 months of pregnancy in all 50 states. In elevating abortion to a fundamental right, FOCA poses an undeniable and irreparable danger to common-sense laws supported by a majority of Americans.

This is URGENT! - Please join us in the fight to stop FOCA by signing a petition to President Obama, US Senators and Members of the US House of Representatives asking them to oppose or rescind support of FOCA as one bill or as an incremental approach attached as riders to other bills.
